This product should be applied to a clean and dry surface. The above figures represent average values. The selection of a tape is the responsibility of the buyer. Tape should be stored at room temperature and should not be exposed to sunlight. We reserve the right to make changes without notice to our product and specifications.

FLOOR MARKING TAPE

PRODUCT: B450

ABOUT THE PRODUCT:

Permanent heavy duty PVC floor marking tape. Designed for high traffic areas in both the warehouse and on site. The product is an industry standard when Occupational Health and Safety is a concern. The product conforms well to irregular surfaces; it is cost effective and eliminates the need for painting.

FEATURES:

- Tough PVC film coated with an aggressive rubber adhesive
- Ideal for high traffic areas
- Easy to apply and remove if necessary
- Anti-abrasive, flexible and resistant to acid, alkalis and oil

COLOURS: Black/Yellow, Red/White, Yellow, White, Green, Blue and Red.
