

HOOK & LOOP ADHESIVE TAPE

ABOUT THE PRODUCT:

Hook & Loop tapes have an acrylic pressure sensitive adhesive for high performance. The Hook and Loop tapes are compatible allowing repositioning of products in a variety of applications. The products have a superior bond strength and are recommended for use where stitching and welding is not applicable. Great for use in sticking posters up / affixing items into position / furniture covers and automobile upholstery.

Commonly used by the events, signs & banners, advertising and the automotive industries.

Also available: 22mm White Adhesive Hook & Loop Dots – 1000 per roll

* Die-Cuts and other widths available firm order
* *Please note that Hook & Loop are sold separately*

FEATURES:

- Easy to use application
- Good tack achieving full bond strength in 24hrs
- Temporary bond that can re-attach many times
- Maintenance free

SPECIFICATIONS:
