

Window Frame Protection Tapes

tesa 51008PV3 - Manufactured with a tough, tear -and scuff - resistant polyethylene film backing, tesa 51008PV3 black protection tape is ideal for protecting anodised or powder-coated aluminium window frames. Outdoor storage of the window frame is possible because 51008PV3 is UV resistant for 12 months.

The tape has good conformability and adheres well to complex shapes. A perfect balance between adhesion and release coat allows tesa 51008PV3 to be easily unwound and applied in both narrow width rolls and wide rolls.

Backing Material:	Polyethylene Film
Total Thickness:	0.125mm
Tensile Stress:	11-17N/25m ²
Adhesive Type:	Rubber
Adhesion to Steel:	4.25N/25mm
Colour:	Black
Roll Length:	66m
Widths:	6mm-1 260mm

1 Product: tesa 51485

Specification	Backing Material:	Plasticised P.V.C.
	Total Thickness:	0.115mm
	Tensile Strength:	61N/25mm
	Adhesive Power:	2N/25mm
	Elongation at Break:	200%
	Colour: Roll	Black
	Lengths:	66m
	Widths:	6mm-200mm*

*For rolls wider than 200mm please contact tesa.

tesa 51485 - Manufactured from tough, flexible, black plasticised PVC film which provides very good conformability to many window extrusion designs. The low tack adhesive removes cleanly from the window frame. The tape also exhibits low curl characteristics when unwinding which allows easy application in long strips.

tesa self-adhesive tapes are used successfully in many sectors to solve a variety of problems. Our publications contain numerous examples of such uses, intended to help towards a solution of your particular problems. Each tesa product has been developed for a particular range of applications. Nevertheless, experience has shown that even for one and the same objective, the exact requirements may differ from case to case. We, therefore, recommend that you carry out your own tests in each case, to confirm that the tesa self-adhesive tape which you envisage using is appropriate for your particular application. The Advisory Section of our Technical Service Department will be happy to assist. All information and recommendations are given by us in good faith, on the basis of practical experience, but without warranty.
